“Helping Hand” Stipend Application
 Please complete and return to NNPDF by June 15, 2010

Funding is available to lend a “helping hand” to assist NNPDF families who require financial assistance to attend the family conference. We encourage families to seek local support through community organizations such as local March of Dimes and Developmental Disabilities Councils or regional genetic services groups, as well as community groups such as Lions, Rotary and Optimists. The NNPDF will try to help members to make it possible for families to attend the conference. Please call the Foundation office at 920-563-0930 or email nhill@nnpdf.org with any questions about the “Helping Hand” Stipend.
