NNPDF EQUIPMENT EXCHANGE PROGRAM
Equipment Donation or Request Form

As NPD patient and family needs change, families may have equipment they no longer need, that could be put to good use by another family. If you have equipment to donate, or if you have equipment needs that another family might be able to help out with, please complete this form and return it to the NNPFD.

We will post the donation or request to the NNPFD Web site Equipment Exchange page. (Names/contact information will not be posted.) If a match is found, we will contact the donor with information as to where the equipment should be shipped (limited to North America). (Please do not ship equipment to the NNPFD unless we specifically request you to do so.)

The Equipment Exchange Program was created and supported by Jami and Lisa Chavez in memory of their daughter, Breann, who passed away from NPC in June 2006, at the age of three years.

Please complete and return to the NNPFD by fax (920-563-0931), or by email (nnpdf@nnpdf.org).
