Dear XXXX,

October is Global Niemann-Pick Disease Awareness Month. This year the National Niemann-Pick Disease Foundation (NNPDF) is celebrating 25 years of supporting families and research into treatments, with the goal of finding a cure.

(Add personal information about the affected person or how the family is/was affected. Share what the foundation has meant to you over the years. Include pictures of your loved one(s) if you wish.)

In support of the NNPDF's 25 years of support, I am asking 25 people to donate \$25. These donations will help the NNPDF to continue providing support to families like ours.

You can donate online at [www.NNPDF.org/donate](http://www.NNPDF.org/donate) or by mail to
