## FAMILIES HELPING FAMILIES Donation or Request Form

As NPD patient and family needs change, equipment or supplies may become available that could be used by another family. The NNPfD assists families who wish to donate their equipment or supplies to help others in need. If you have equipment or supplies you wish to donate to the program, or have a need, please complete this form and return it to the NNPfD.

We will post the donation or request to the NNPfD Families Helping Families webpage. Names and contact information remain confidential and will not be made public. If a match is found, the NNPfD will facilitate communication with information as to where the items should be shipped, limited to North America. Please do not ship equipment to the NNPfD unless we specifically request you to do so.

The Families Helping Families (Equipment Exchange Program) was created and supported by Jami and Lisa Chavez in memory of their daughter, Breann, who passed away from NPC in June 2006, at the age of three years.

**Please complete and return to the NNPfD by fax (920-563-0931), or by email ([nnpdf@nnpdf.org](mailto:nnpdf@nnpdf.org)).**
