

Help Needed for Niemann Pick Disease Type A & B (NPD A & B) / ASMD Research

Interested in sharing your experience as a patient or caregiver for a family member with NPD A or B?

- The interview will be conducted **on the phone at a time convenient for you** and will take ~60 minutes
- During the interview, we would like to **discuss your story as a patient or caregiver**: your experience with doctors, your diagnosis, your day-to-day life, and your hopes for future therapies
- You will be compensated for your time, and your participation is **confidential and anonymous**

Note: this study is only for patients and caregivers not currently participating in a clinical trial
