

How to create a personalized social profile frame...

[Download](#) the Niemann-Pick Awareness Month profile frame (NPAM Frame 2022) to your device.

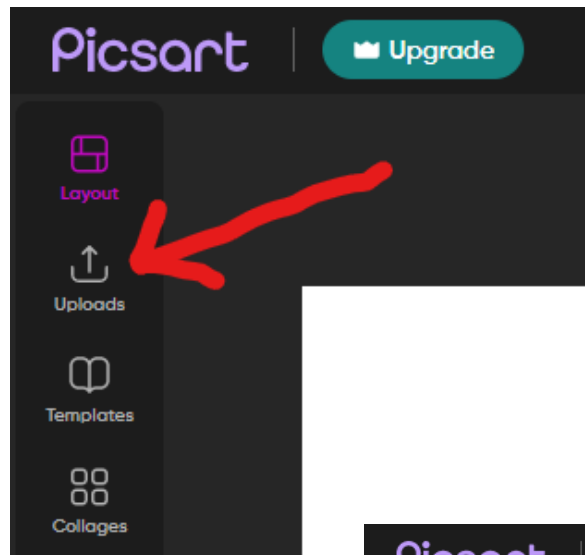

Choose a photo in advance that you'd like to use in your frame.

Go to [Picsart.com](https://picsart.com). Create an account or log in.

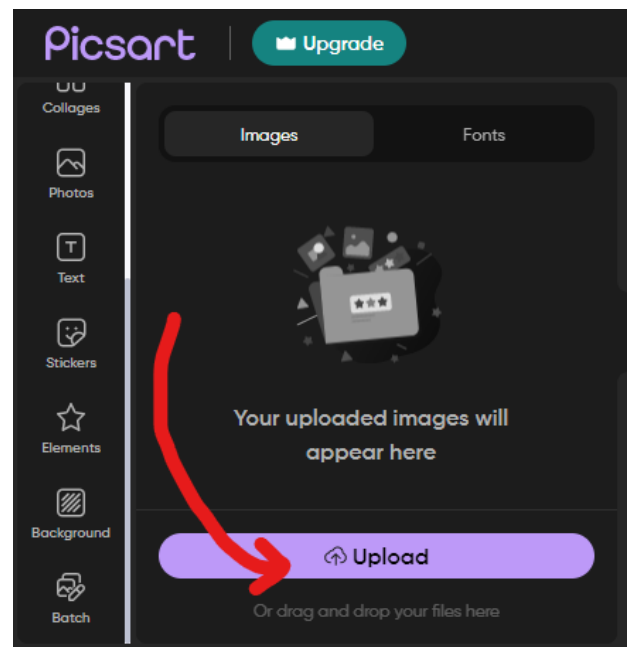

Select: NEW PROJECT

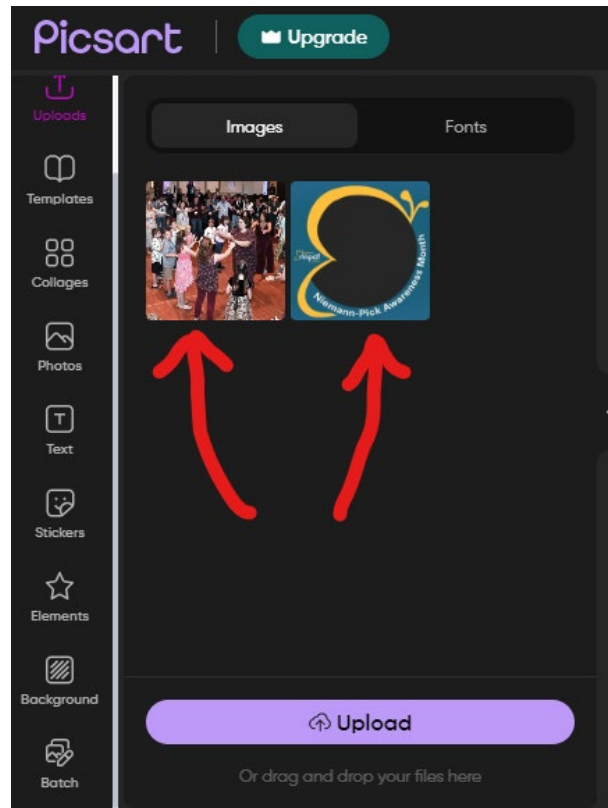

Select: UPLOADS

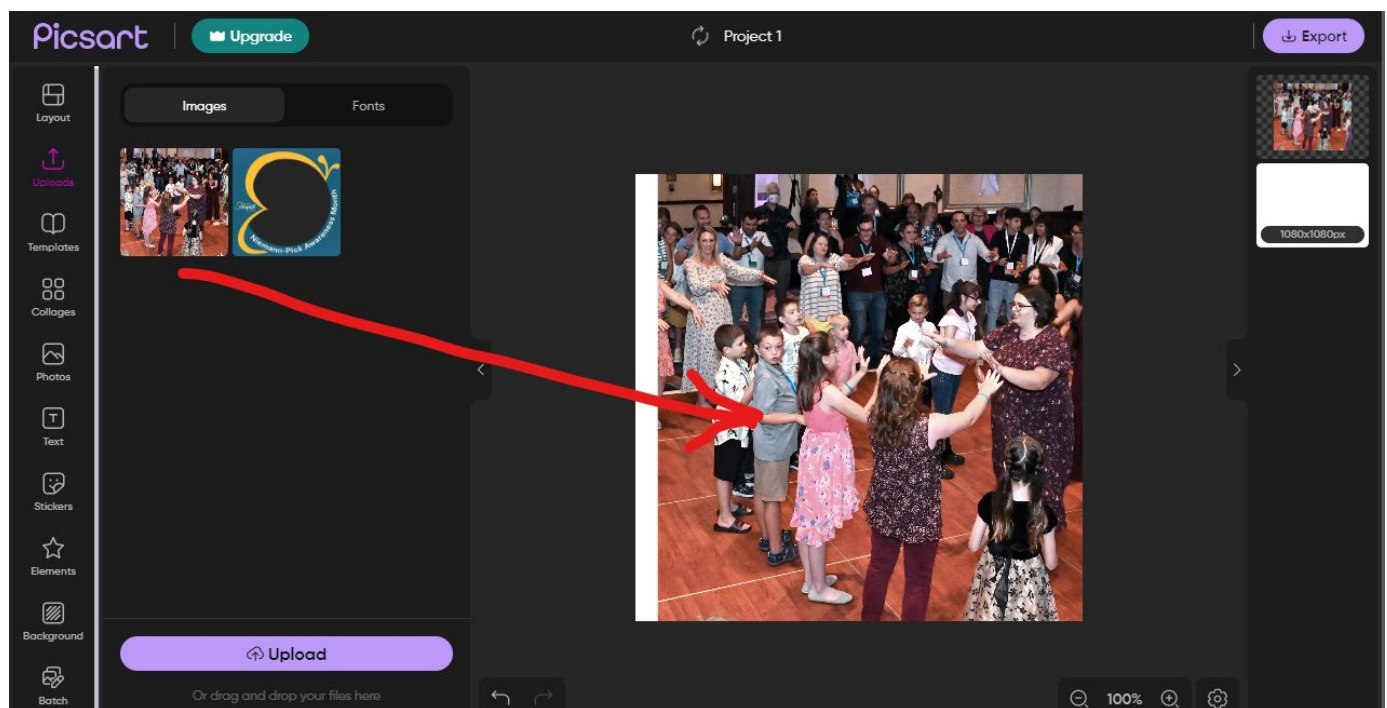

Upload the NPAM Frame 2022 AND the photo you've chosen to appear in the frame.

The NPAM Frame 2022 AND the photo you've chosen for the frame will appear in the images section.

Drag your PHOTO to the workspace.

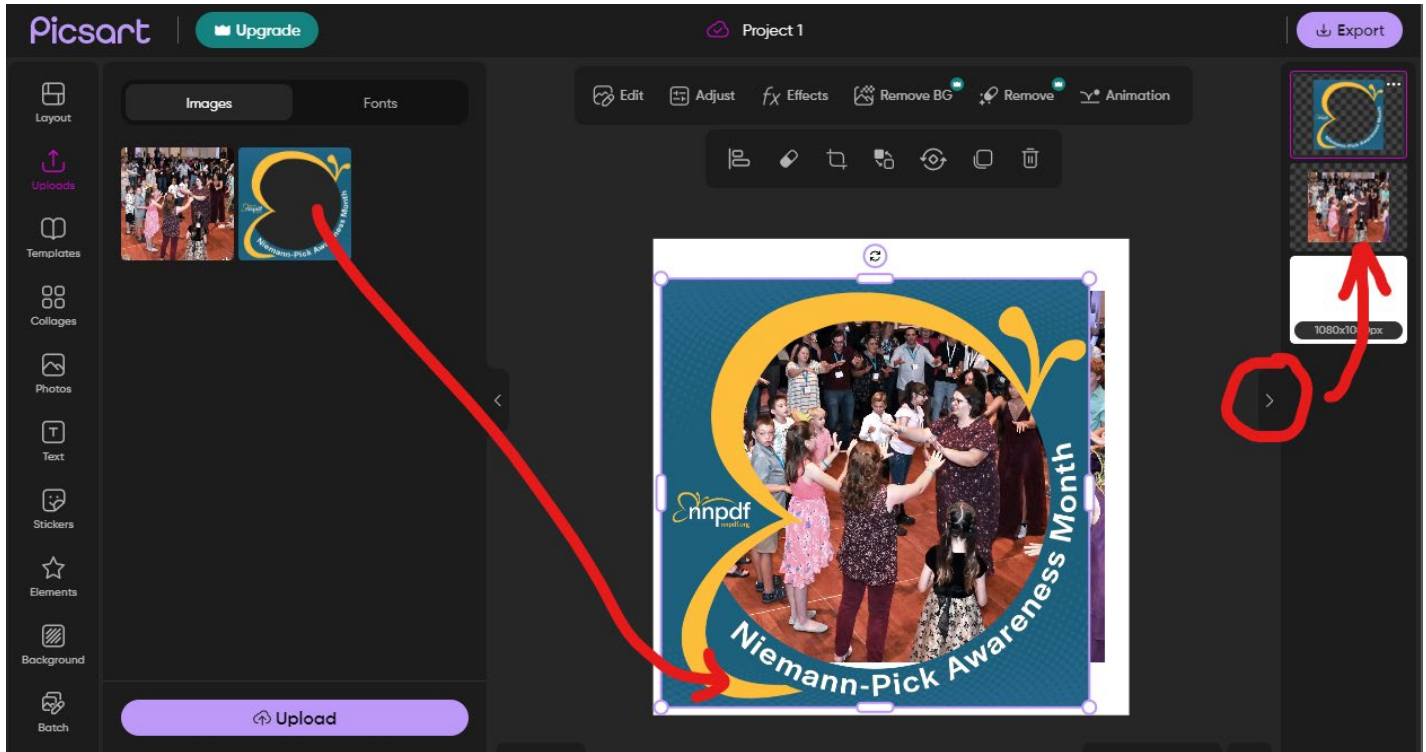

Next drag the NPAM frame to workspace.

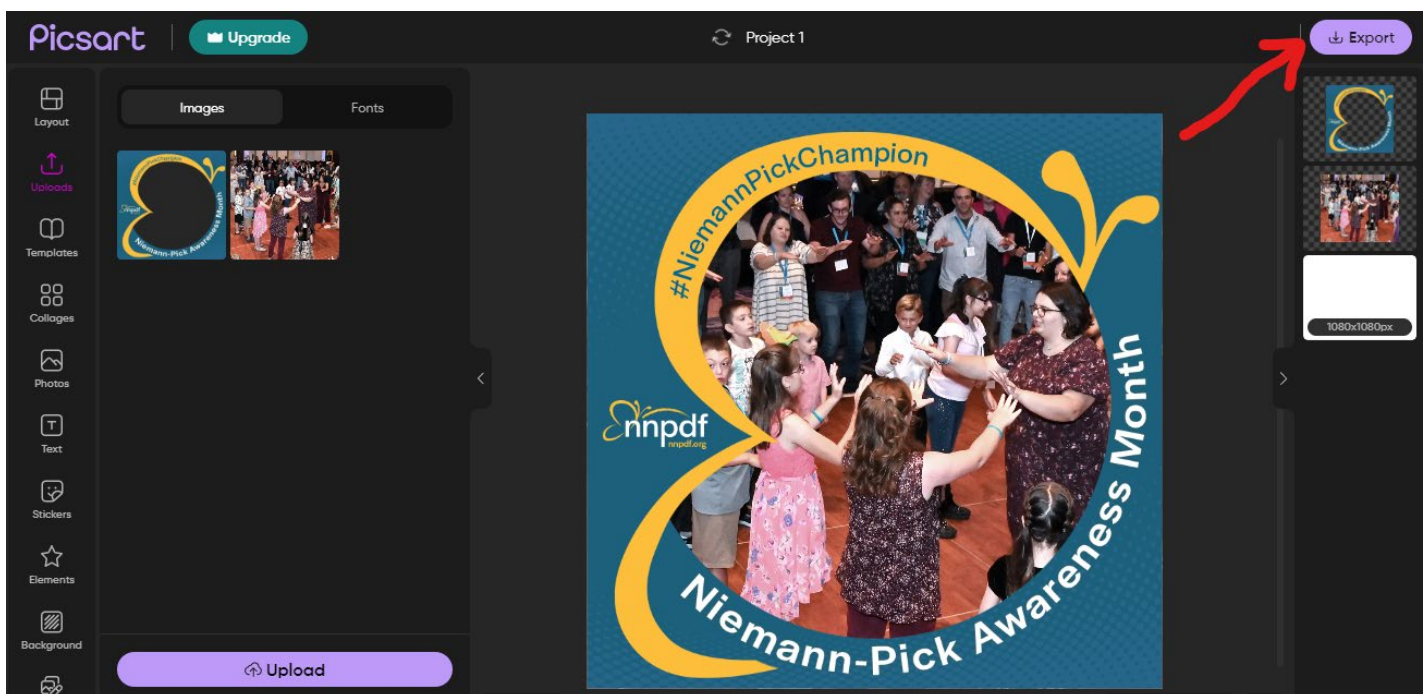

Take care to place the frame outside of the photo, as not to replace the photo.

Toggle the arrow to the right of workspace to make the layers visible if not already.

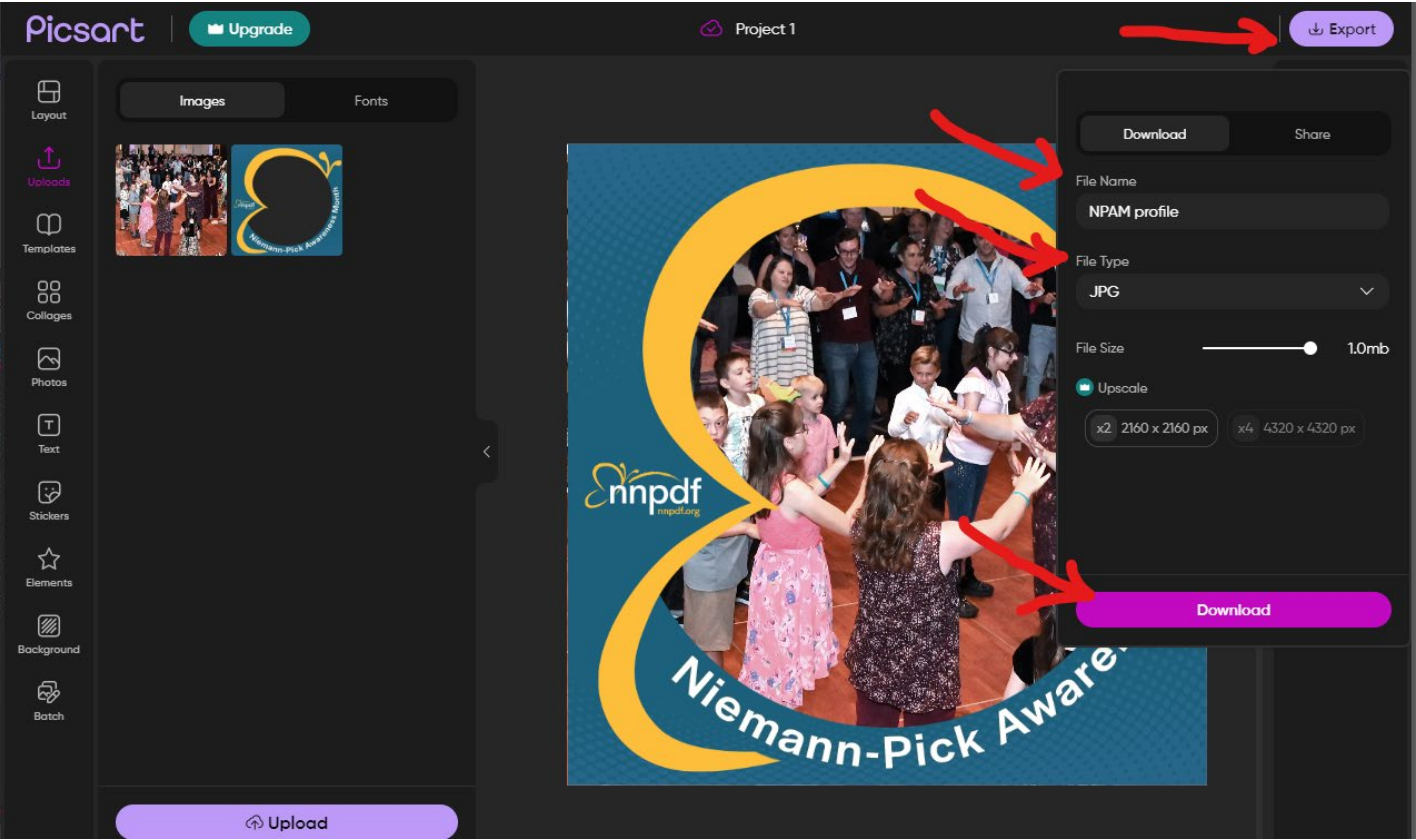

Select each layer to resize your images to your liking.

When you are satisfied with your profile, click EXPORT in upper right-hand corner.

Add a FILE NAME to your project, select FILE TYPE as JPG, click DOWNLOAD. Your new profile will appear in your DOWNLOADS folder on your device.

Upload your Niemann-Pick Awareness Month profile image to your social pages. Remember to use #NiemannPickChampion in your communications.
